PAAS®

PAAS® Egg Dyeing Instructions:

1. Start with clean, cool, hard-boiled eggs.
2. PAAS® Coloring Methods:
 - For **Ultra-Vibrant Colored Eggs** – add a tablet and 3 tablespoons of **vinegar** to a PAAS® Color Cups or a 1 cup container.
 - For **Traditional Colored Eggs** – add a tablet and 3 tablespoons of **lemon juice** to a PAAS® Color Cup or a 1 cup container.
 - For **Pastel Colored Eggs** – add a tablet and 3 tablespoons of **water** to a PAAS® Color Cup or a 1 cup container.
Once the tablet has dissolved, add ½ cup of water.
3. Bend egg dipper. **Gently** place egg in color bath until desired shade is obtained. The longer the egg stays in the bath, the darker the color will be.
4. Remove egg, drain well, place in drying tray, and let dry.
